- Expands The Life Of The Mattress By As Much as 30%
- Offers 60% Reduction in Laundry Costs
- Locking Bed Bug Proof Zipper and Closure
- Backed By a 10-Year or 300 Washings/ Drying Warranty Against Defects
- Color Tags To Distinguish Size

Unlike difficult-to-install, traditional encasements that provide only a zipper at the bottom, the Easy Care 360° Mattress Encasement has revolutionized mattress protection with the finest quality encasement for quick and easy installation, removal and care. Made of soft polyester interlock knit and coated with a high temperature polyurethane film, the Easy Care 360 provides long lasting wear.

Utilizing advanced premium coating technology, the Easy Care 360° Mattress Encasement is designed specifically for the hospitality industry with efficiency in mind. Laboratory tested for industrial washing, the Easy Care provides a cool, comfortable, noiseless, ventilated layer of security against bed bugs, dust mites, allergens, mold, bacteria, and liquid stains.

Easy Care 360° zips completely around for easy installation and removal.

12" Easy Care 360° (Fits Mattresses 12"-14")
